Thanks Tom for your time today and always. And also for sending the semi-annual report.

Just a quick list of action items from our call.

1. 5/4 coordinating time to chat with Vince and Erica

2. Molly to email you, Marcelo, and Erica an excel file with workplan tasks in need of financial details
3. Erica to email you FY 18 workplan edits/comments in WORD (you and erica can confer on how they will be addressed- either in the GB approved workplan or in a supplementary spreadsheet with financials)
4. Molly to send email to David Coupe expressing need for Erica and Sam's attendance at June GB meeting
5. 5/15 staff meeting to include Erica on the line

EXTRA ACTION ITEM- POTENTIAL FOR EARLY AWARD? Mobile NEP will receive a partial award next week and a press relaease was put together using some of the NEPs video and photos. The sooner an approvable work plan can come in there is a potential it could be awarded, but Erica will have to coordinate with grants office on that possibility

In addition, having permission to use NEP videos is a part of the request- I am guessing we would have permission to use any or all- but may be worth thinking about what you would want to use!

Molly,

I'll be at a conference and need to be in a session from 1:00-3:30. Available before and after that...

Got a time that we can get on the horn and talk?

Thanks!
